

Here are the 50 largest women-owned businesses in Cincinnati

Ranked by 2024 revenue

Locally Researched by: Isabella Ferrentino, data reporter

The largest women-owned businesses in Cincinnati reported over \$860 million in revenue for 2024.

This week's List is part of a shift in our research methodology and philosophy in 2025, one that will emphasize more data and context for readers while better coordinating the resources available to us and our 46 sister publications under the American City Business Journals flag. We anticipate this effort will identify thousands of new local records — and cumulatively, tens of thousands of new businesses across ACBJ's footprint — this year alone.

Information on The List was obtained through Cincinnati Business Courier's research or supplied by individual firms through questionnaires that CBC could not independently verify. In case of ties, firms are listed alphabetically.
